

Congratulations for your excellent performance in the Singapore Mathematical Olympiad-Junior Section Competition 2007.

We are pleased to invite you for the invitational round training.

Singapore Mathematical Olympiad (SMO) Junior Section Invitational Round Class

- Covers key strategies for the SMO Junior Section competition.
- Gain insights to help you solve past year competition questions with greater clarity and efficiency.
- Content will be based on the 2006 Invitational Round Competition (Junior Section).

Suitable for: *Invited participants of the 2007 SMO (Junior) section only.*

Trainer's Profile for the Intensive Training

Mr. Neo Chee Beng was former a junior college teacher. He was the **recipient of the Leong Teng Kiang Memorial Prize** for being the Best Student in the Honours Year Examinations in Mathematics. His specialties are problem solving & competition maths. His flexibility and fluency in thinking has made him a successful Maths Olympiad trainer in many schools.
